Patrick Warner

Hard Worker. Tech Enthusiast Specializing in Full Stack Web Development, and Network System Administration
Las Vegas, NV 89110
patrick.warner@paradoxresearch.net
+17023274983

A hard working, and self-driven individual; who is welcoming to new challenges to adapt to, and overcome. I am always looking to improve myself in my personal, professional, and academic career through: personal studies, on-the-job skills, and constructive criticisms from peers, supervisors.

Authorized to work in the US for any employer

Work Experience

Network Administrator / Software Development
HOME-LAB - Las Vegas, NV
January 2015 to Present

Please visit: https://pnwarner.github.io   to view more of my technology experience, and see some of my projects.

• This is not a job, or paying position. This is an on-going project for personal academic, and professional improvement.

Home Projects and Education:
• Build, setup, administrate, and host: bare-metal, and virtual machine servers in a GNU/Linux based environment to keep improving my IT, Networking, and Systems Administrator skills
• Host and manage multiple domains, websites, and programming projects to build upon, and demonstrate my knowledge in web design and software engineering

Areas of study:
• Computer Science
• Mathematics
• Cybersecurity
• IT / Networking / System Administration
